

Master of Education Licensure and Non-Licensure

The Regis University Master of Education (M.Ed) programs are designed for educators in public and private schools who are seeking professional growth and development opportunities and wish to complete their graduate studies. Designed by practicing professionals, the M.Ed program was developed in response to the critical need for creative educators with strong leadership skills. Consistent with the Regis mission, students in this program are challenged to develop the skills and leadership abilities necessary for distinguished professional work and contributions to the improvement and transformation of society.
